Maryland Assisted Living

Welcome to CR Care Assisted Living

- Mission**
At CR Care, our mission is to provide exceptional, personalized care in a warm and supportive environment. We strive to enhance our residents' quality of life through compassionate service, a sense of community, and the comfort of aging in place.
- Recognizing**
At CR Care, we honor and celebrate the individuality of each resident, ensuring their unique needs and preferences are always met, while providing comprehensive long-term care for their comfort and well-being.
- Why CR Care**
At CR Care, we provide personalized care in a warm, supportive residential environment where residents feel at home and valued every day. With a staffing ratio of 3:1, we ensure each resident receives the attention and care they deserve.

What makes us different?

At CR Care, we stand out by offering a unique blend of personalized care in a cozy, residential setting. Our Exceptional caregiver-to-resident ensures that each resident receives the individual attention they deserve, fostering a sense of community and belonging. We strive to understand each resident's needs, creating customized care plans that evolve with the theme.

Our comprehensive in-house medical services, engaging wellness activities, and family-focused approach provide peace of mind for loved ones. At CR Care, it's not just about care—it's about creating a home where residents can thrive.

- 4 Assisted Living Residential Homes**
Our four assisted living residential homes are staffed with fully trained caregivers who meet all state regulations and COMAR requirements, ensuring high-quality, compliant care from day one.
- Pricing**
Our affordable pricing includes a monthly fee that covers all services, with no additional fees or hidden costs. Enjoy peace of mind with transparent, all-inclusive pricing—no surprises.
- 3:1 Staffing Ratio**
With a 3:1 resident-to-caregiver ratio, we ensure each resident receives dedicated, individualized care tailored to their needs.
- 24/7 Nursing Staff**
Our nursing staff is available 24/7, ensuring continuous care and support whenever it's needed.

What Families Are Saying About CR Care

We believe the words of our satisfied residents and their families best capture the true essence of what CR Care is all about

Best Decision

My brother was a resident at CR Care in Laurel. From the very beginning my brother was treated with kindness and respect. As my brother progressed the care employees were quick to adjust to his needs. They treated my brother like a member of their family with love and understanding. Whenever I visited my brother I was greeted with smiling faces. I look at my choice of CR Care as a blessing. That's where I want to go when it is my time.
