The therapists here are very knowledgeable and professional. They did a great job helping me overcome physical limitations and concerns I had regarding getting my knee back to full capabilities after my surgery.

The experience has been wonderful working with the physical therapists. All have been very knowledgeable and friendly. The healing of my injury is feeling much better in just a short time of going to ATI.

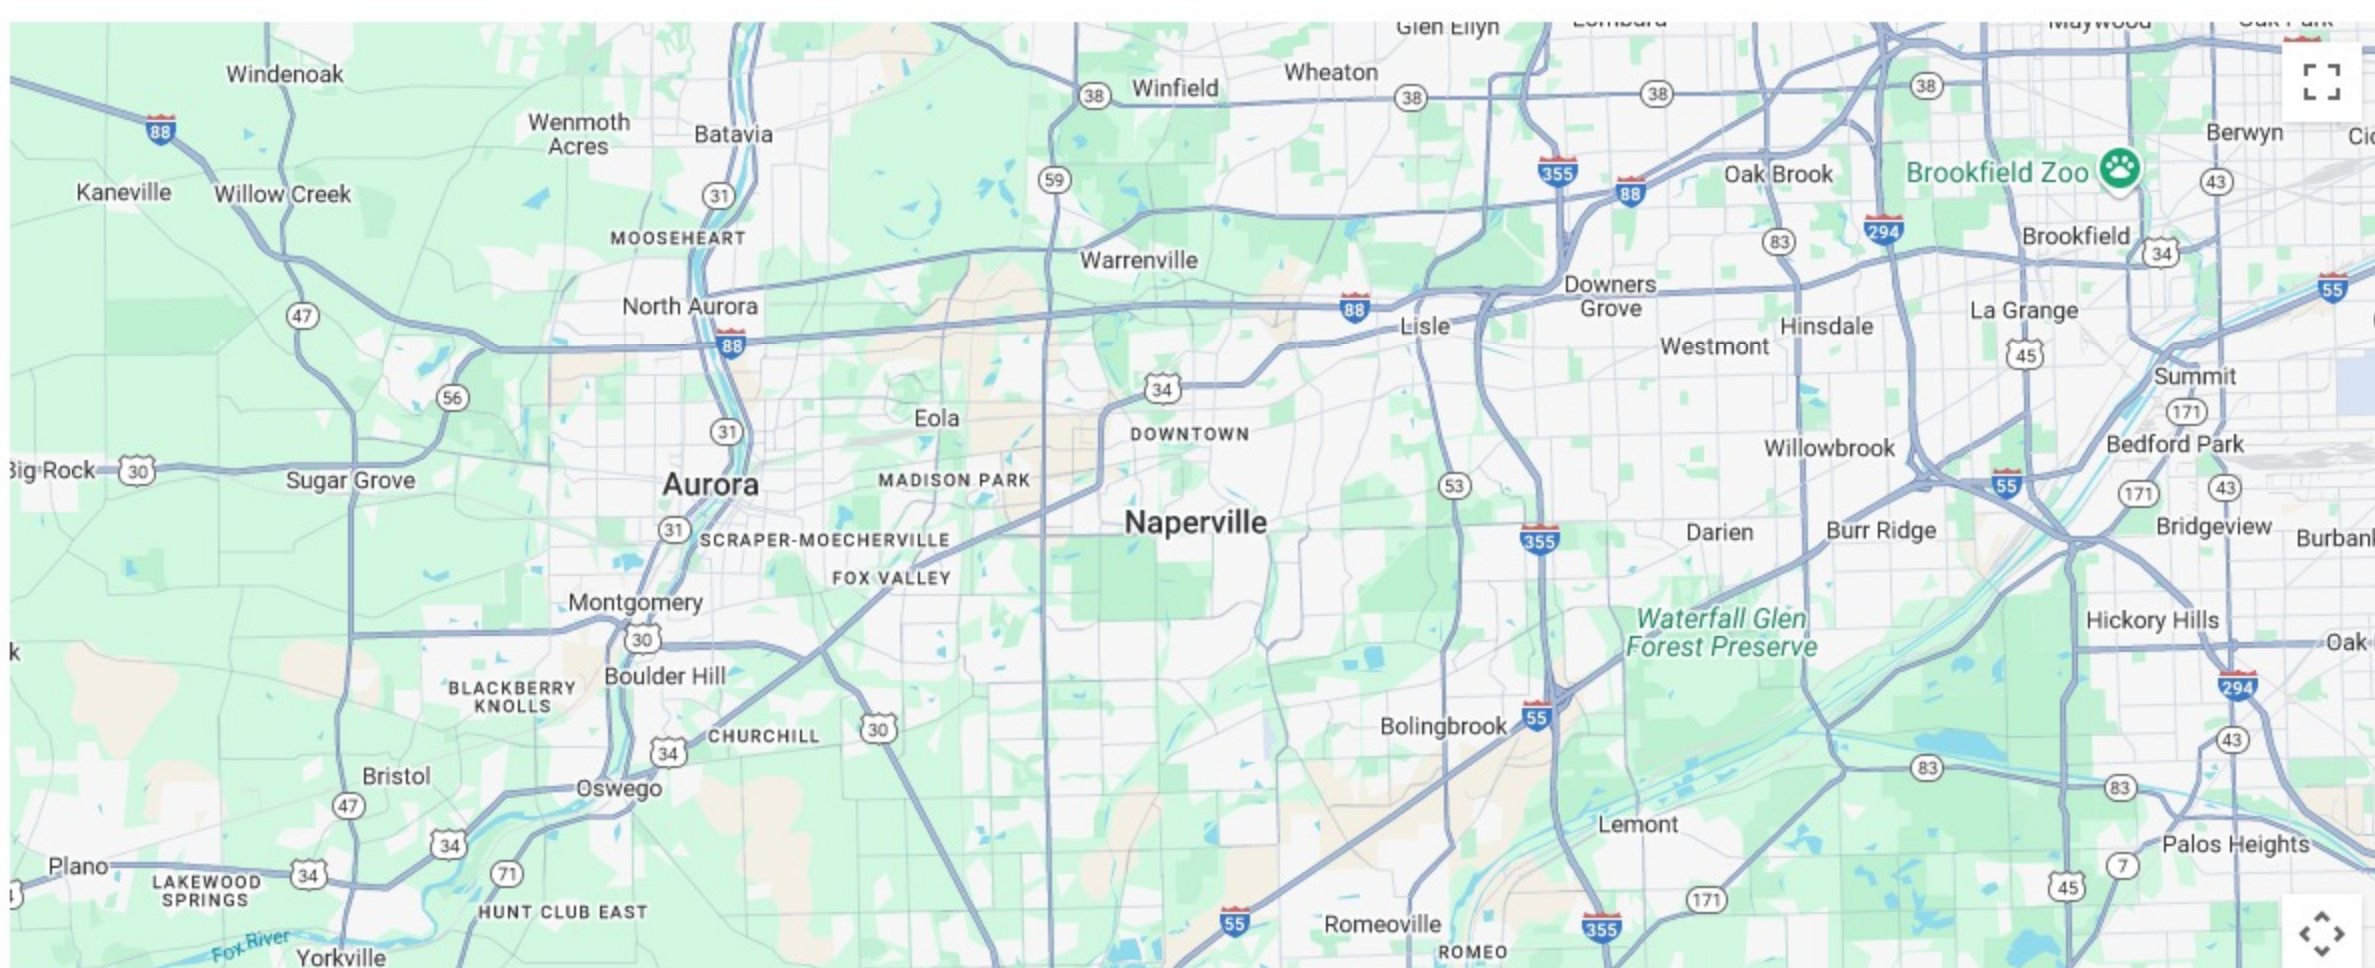

I cannot say enough about ATI I've been coming to this location for some time now. The staff is excellent, very professional, very knowledgeable and they care about you. I feel like part of the family and I've always left with a peace of mind.
